[12:02:17 PM] luciash d' being aka Lukáš "luci" Mašek says: hello francisco
[12:02:26 PM] Xavier de Pedro says: Marc, lukas request to hear the voice...
[12:03:02 PM] Dave Thacker says: Dave is the admin for a small IT dept that wants to use a wiki for documentation. Please add
[12:03:54 PM] Marc Laporte says: Lukas is online in audio
[12:04:10 PM] Xavier de Pedro says: and Lukas' kids also
[12:04:12 PM] francisco athens says: Marc is a father and wants to use Tiki to keep track of his childrens

development as well as track bugs

[12:04:30 PM] francisco athens says: this would be useful for me too

[12:04:48 PM] francisco athens says: as I'm currently using the Gallery2 script

[12:05:40 PM] Dave Thacker says: Fred is the webmaster for a youth football(soccer) league that wants to use a wiki to post schedules and results. please add

[12:06:53 PM] Dave Thacker says: yes, Dave knows Linux and has installed apache

[12:07:06 PM] francisco athens says: Joey has a mediawiki wiki and phpbb forum and would like to migrate to tikiwiki.

[12:08:53 PM] francisco athens says: <muted mic input>

[12:12:21 PM] Marc Laporte added Gary Cunningham-Lee to this chat

[12:13:25 PM] luciash d' being aka Lukáš "luci" Mašek says: i've muted my mic in kmix setup i hope you don't hear my son anymore 🙂 (hm, Alain is too loud compared to others, isn't he ?)

[12:13:45 PM] Marc Laporte says: I still hear some kids in the background

[12:13:50 PM] Marc Laporte says: (note sure where)

[12:13:58 PM] francisco athens says: hehe I always hear kikds in the bg

[12:14:28 PM] Marc Laporte is really happy to have all these people online

[12:14:38 PM] Xavier de Pedro says: 🙂

[12:14:45 PM] Marc Laporte says: (thank you Alain, Skype and CardMeeting)

[12:19:56 PM] francisco athens says: Lori is college student who wants to use tikiwiki as a front end for her internet radio show

[12:20:22 PM] Dave Thacker says: woot, my card meeting is up!

[12:20:56 PM] francisco athens says: hehe

[12:21:37 PM] Xavier de Pedro says: 🙂

[12:23:08 PM] Nelson Ko says: hi francisco,

[12:23:18 PM] Nelson Ko says: why joey is using phpbb and mediawiki for?

[12:23:37 PM] Nelson Ko says: for what purpose?

[12:24:00 PM] Marc Laporte says: maybe they want to have a wiki and a forum in single sign on

[12:24:25 PM] Xavier de Pedro says: (reasonable)

[12:24:35 PM] francisco athens says: Joey was using MW and phpbb for a community portal and wants to use something more integrated

[12:24:38 PM] Marc Laporte added mlpvolt to this chat

[12:24:40 PM] Dave Thacker says: yes.

[12:24:58 PM] francisco athens says: Joey was me long ago

[12:25:24 PM] Marc Laporte says: (I know that feeling!!!!!!!)

[12:26:07 PM] Dave Thacker says: hehe

[12:26:39 PM] Marc Laporte says: who is not on cardmeeting?

[12:26:45 PM] luciash d' being aka Lukáš "luci" Mašek says: me

[12:27:02 PM] francisco athens says: I think TW excells at getting ppl to join a community, because some folks prefer to blog, post on forums, or edit wiki pages and TW has all of these

[12:27:35 PM] francisco athens says: however I sometimes get feed back that the interface can get rather complicated with so many features.

[12:27:36 PM] luciash d' being aka Lukáš "luci" Mašek says: CardMeeting ID ?

[12:28:02 PM] Marc Laporte says: it is listed on tiki.org/tikifest198

[12:28:09 PM] Xavier de Pedro says: C1405

[12:28:20 PM] luciash d' being aka Lukáš "luci" Mašekis the one most interested in simplification 🙂

[12:28:22 PM] Xavier de Pedro says: Community Id: C1405

[12:28:39 PM] Xavier de Pedro says: Community Password: hawai!

[12:28:41 PM] francisco athens says: "Discovering TW for the first time"

[12:28:46 PM] luciash d' being aka Lukáš "luci" Mašek says: Invalid Meeting ID format: Meeting ID's start with an 'M' followed by digits

[12:29:06 PM] Xavier de Pedro says: YEs, I got the same before luciash...

[12:29:36 PM] Nelson Ko says: go to "list all meetings of gcommunity/"

[12:29:53 PM] Nelson Ko says: and put C1405 in the community ID box
[12:30:10 PM] Dave Thacker says: who want to get versatile tool up quickly
[12:30:18 PM] francisco athens says: because they are not gentoo users
[12:30:34 PM] Dave Thacker says: lol francisco...
[12:31:29 PM] Dave Thacker says: yes, that's a good point stay focused on task
[12:31:46 PM] francisco athens says: I wonder if there is a possibility for a TW live disk that can install to a remote server?
[12:32:20 PM] francisco athens says: yeah there might be several TW setup examples running on the live CD
[12:32:55 PM] Xavier de Pedro says: francisco, that would be lovely
[12:32:56 PM] Marc Laporte says: we have a live CD somewhere, but that only takes them to a default install, which is too complex for new users
[12:33:16 PM] Xavier de Pedro says: "somewehere": http://tiki.org/TikiLiveCD
[12:33:26 PM] Marc Laporte says: tks xavi
[12:33:27 PM] Dave Thacker says: in less than 60 minutes
[12:33:26 PM] francisco athens says: tikibuntu
[12:33:45 PM] francisco athens says: or damnsmalltiki
[12:33:46 PM] Xavier de Pedro says: "tikibuntu"
[12:34:03 PM] francisco athens says: DSL is a very quick boot
[12:34:11 PM] Xavier de Pedro says: DSL-Tiki:
[12:34:35 PM] francisco athens says: time to reboot the kids
[12:34:51 PM] Xavier de Pedro says: DSL-Tiki-LiveCD: I tried but I left it since it was not i18n properly for non-english keyboards, etc.
[12:34:52 PM] francisco athens says: or put them in chroot jail
[12:35:54 PM] Dave Thacker says: or security. (documentation)
[12:36:40 PM] luciash d' being aka Lukáš "luci" Mašek says: i don't see the link "list all meetings of gcommunity/" on http://cardmeeting.com/
[12:36:57 PM] Nelson Ko says: below the box you tried
[12:37:17 PM] Dave Thacker says: luciash, use the C1405 code and password in the bottom two boxes, then select this meeting from the page you receive.
[12:37:28 PM] Nelson Ko says: I want to see list of all of my communities' meeting...
[12:37:34 PM] Nelson Ko says: bottom 2 boxes on left side
[12:37:42 PM] Xavier de Pedro says: tw.o/Tiki1Fest98 updated: Where it says: "I want to see a list of all of my community's CardMeetings", log in with:
[12:38:30 PM] luciash d' being aka Lukáš "luci" Mašek says: got it, thanks
[12:38:37 PM] Xavier de Pedro says: welcome
[12:39:21 PM] Dave Thacker says: are we wandering off into features......?
[12:39:32 PM] Xavier de Pedro says: ?
[12:39:51 PM] francisco athens says: maybe some thumbnails in the template install linking to screenshots so users can "see" what their install might look like?
[12:39:57 PM] Marc Laporte says: (maybe we are, sorry if we are)
[12:44:18 PM] francisco athens says: wikicasting?
[12:44:25 PM] Marc Laporte says:
[12:44:30 PM] francisco athens says: tikitossing?
[12:44:37 PM] Marc Laporte says:
[12:45:11 PM] Marc Laporte says: we need more tikiprofiles (and an easy way to make tikiprofiles)
[12:46:09 PM] Xavier de Pedro says: http://tiki.org/TikiProfiles
[12:46:13 PM] Marc Laporte says: http://doc.tiki.org/Profile
[12:46:21 PM] Dave Thacker says: fish hobbyists. useful for a any hobbyist organization
[12:46:25 PM] francisco athens says: fishclub! I've been looking for one
[12:46:49 PM] Marc Laporte says: http://doc.tiki.org/Profile
[12:48:15 PM] Dave Thacker says: so we need to move profile descriptions from feature list "tasks you

want to accomplish"

[12:48:17 PM] francisco athens says: fishywiki

[12:53:17 PM] Dave Thacker says: yes! yes! yes!

[12:54:02 PM] Dave Thacker says: joomla has a hierarchal (sp) menu structure

[12:54:34 PM] luciash d' being aka Lukáš "luci" Mašek says: joomla administration sucks :P

[12:55:14 PM] Xavier de Pedro says: yes, wizard concept is ok

[12:55:34 PM] francisco athens says: there is obviously some strong joomla opinions among TW users..

[12:57:28 PM] Nelson Ko says: are you online?

[12:57:36 PM] Dave Thacker says: and there he goes...

[12:57:38 PM] Xavier de Pedro says: nop

[12:57:40 PM] francisco athens says: perhaps they could just see some examples

[12:57:48 PM] francisco athens says: oh dear

[12:57:48 PM] Xavier de Pedro says: voice went away...

[12:57:52 PM] Nelson Ko says: marc is currently offline

[12:57:55 PM] Nelson Ko says: one sec

[12:57:59 PM] Xavier de Pedro says: ok

[12:58:01 PM] Nelson Ko says: trying to recover

[12:58:28 PM] Gary Cunningham-Lee says: Hmm. No more audio here.

[12:58:35 PM] Xavier de Pedro says: using this moment to add profile page to contents structure in doc.tw.o 〿

[12:58:51 PM] Dave Thacker says: threw another green card in

[12:59:15 PM] francisco athens says: who is physically at the TW conference?

[12:59:22 PM] francisco athens says: er Tikifest

[12:59:30 PM] Marc Laporte says: we are 3

[12:59:30 PM] Alain Désilets says: Did you all loose my audio?

[12:59:40 PM] Xavier de Pedro says: I did loose it

[12:59:43 PM] francisco athens says: I dont hear anyone

[12:59:44 PM] Nelson Ko says: yes. audio is lost at the moment

[12:59:46 PM] Dave Thacker says: yes

[12:59:46 PM] Alain Désilets says: Weired

[1:00:00 PM] Nelson Ko says: because marc lost connectivity

[1:00:00 PM] luciash d' being aka Lukáš "luci" Mašek says: who is most stable online ?

[1:00:13 PM] Xavier de Pedro says: I'm in again

[1:00:24 PM] luciash d' being aka Lukáš "luci" Mašek says: create the room and invite others ?

[1:00:24 PM] Marc Laporte says: this is fun!

[1:00:27 PM] luciash d' being aka Lukáš "luci" Mašek says: ah me too

[1:00:31 PM] Xavier de Pedro says: 〿

[1:00:32 PM] Dave Thacker says: i hear audio

[1:00:36 PM] Gary Cunningham-Lee says: 〿

[1:00:42 PM] Xavier de Pedro says: (my first time ever on a voice chat) 〿

[1:00:51 PM] francisco athens says: audio is back from me to

[1:00:55 PM] Marc Laporte says: I lost my connection and since I was the host, you all lost it

[1:01:01 PM] Dave Thacker says: blue cards

[1:01:19 PM] Marc Laporte says: 〿 〿

[1:02:10 PM] francisco athens says: I think an average user installing TW will have issues with TW server processing/ram requirements...

[1:02:24 PM] luciash d' being aka Lukáš "luci" Mašek says: i have trashed my blue card 〿

[1:02:33 PM] Xavier de Pedro says: 〿

[1:03:59 PM] francisco athens says: how can that user import existing data easily? like from another CMS or excell db?

[1:04:29 PM] Xavier de Pedro says: from other db: difficult. From excel db: through tracker or spreadsheet import...

[1:04:38 PM] Xavier de Pedro says: (through CSV)
[1:04:42 PM] Dave Thacker says: Please repeat the name of the concept?
[1:05:43 PM] Marc Laporte says: sorry
[1:05:06 PM] Dave Thacker says: no audio again...
[1:05:06 PM] Nelson Ko says: hello?
[1:05:06 PM] Alain Désilets says: lost audio again
[1:05:12 PM] Xavier de Pedro says: gone again
[1:05:30 PM] Xavier de Pedro says: thanks nelson
[1:05:39 PM] Dave Thacker says: got it
[1:06:24 PM] francisco athens says: good question
[1:06:36 PM] Dave Thacker says: Please repeat the name of the error correction concept you just spoke about.
[1:07:18 PM] francisco athens says: hmm maybe an an irc interface in the install script ^^
[1:08:20 PM] Dave Thacker says: Useful: establishing the user focus. Identifying the users.
[1:08:27 PM] francisco athens says: tikiwiki_user: "I'm in the middle of a TW install and I'm lost!"
[1:09:27 PM] Dave Thacker says: itching synergy!
[1:09:32 PM] Marc Laporte says:
[1:10:40 PM] Dave Thacker says: yes'
[1:10:41 PM] francisco athens imagines telling his boss "I'm trying to get our itches scratched"
[1:10:49 PM] Dave Thacker says: sounded like sandman?
[1:10:57 PM] Alain Désilets says: Jeff Patton
[1:11:00 PM] Alain Désilets says: He's my mentor.
[1:11:02 PM] Alain Désilets says: Great guy.
[1:11:10 PM] Alain Désilets says: Buy his book when it comes out.
[1:11:19 PM] Marc Laporte says:
[1:11:32 PM] Dave Thacker says: yes, you said he talked about a concept that he had not written about much. What was that concept?
[1:11:58 PM] Alain Désilets says: It's called a Span Plan
[1:15:07 PM] Dave Thacker says: ok, I'm following.
[1:15:12 PM] Dave Thacker says: Yes!, thanks!
[1:16:45 PM] Alain Désilets says: http://www.abstractics.com/papers/HowYouSliceIt.pdf ↗
[1:17:07 PM] Dave Thacker says: got it. thanks!
[1:18:09 PM] Alain Désilets says: alain.desilets@nrc-cnrc.gc.ca
[1:18:17 PM] Dave Thacker says: Thank You!
[1:18:27 PM] Marc Laporte says: Thanks Alain!
[1:18:31 PM] Gary Cunningham-Lee says: thanks.
[1:18:33 PM] Xavier de Pedro says: bye
[1:18:38 PM] Xavier de Pedro says: (and thanks)
[1:19:06 PM] Dave Thacker says: ok, I'll go buy a microphone
[1:19:34 PM] Marc Laporte says: ok guys!!
[1:19:39 PM] Marc Laporte says: we get some some food
[1:19:46 PM] Marc Laporte says: you guys can continue
[1:19:47 PM] francisco athens says: nice chatting with you all
[1:19:52 PM] Marc Laporte says: and do all the hard work
[1:19:54 PM] Nelson Ko says: same here
[1:19:56 PM] Dave Thacker says: I'll check back at 1430 EDT
[1:20:01 PM] Xavier de Pedro says: same here
[1:20:04 PM] Marc Laporte says: so when we come back, we will feel like heros
[1:20:12 PM] Marc Laporte says:
[1:20:35 PM] francisco athens says: maybe I'll have my avatar made by then
[1:20:39 PM] Dave Thacker says: ok, later all
[1:20:47 PM] Xavier de Pedro says: see you later

[1:20:51 PM] Gary Cunningham-Lee says: cya

next day
