

Search Wishes

There is a new way of searching in development here [Wishlist Search Page](#), please have a go and improve it if you can!

Three ways to search

A. To search for a bug/feature request you can use the search bar in the upper right.

B. Use the **Keywords** way down on the right column over there →.

C. You can also search the main tracker using the form below.

D. Try out (and improve) the new Unified Index Search based form [here](#)

Filters only amongst open & pending issues.
